## GET THE BEST FROM YOUR ARBORIST HELMET

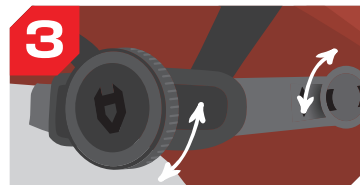

### ATTACHING THE EARMUFFS

Slide the earmuffs into the helmet slots on each side and click them into place. Insert the connectors facing forward.

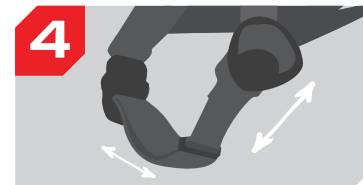

### ASSEMBLING THE VISOR

To attach the visor, press down on each side and then click the connectors into place.

### ADJUSTING THE HEAD SIZE

Turn the ratchet knob clockwise to tighten, or counterclockwise to loosen it. Move the headpiece up or down for a perfect fit.

### ENSURING A SECURE FIT

Pull the triangles up to tighten or down to loosen. Fasten the buckle and pull the strap end to tighten it around your chin.
