4 LIGHTWEIGHT DESIGN

GET THE BEST FROM YOUR KNEE PADS

STRAP IN LIKE A PRO

Rough side out. Wrap. Stick the fuzzy side. Boom—knee armor engaged.

FIT, NOT A FIGHT

Cover the knee. Bend it. If it pinches, loosen up — this ain't a blood choke.

CLEAN WITHOUT DRAMA

Wipe 'em down. No machines. Retire 'em when they go flat like your third cup of coffee.

STORE LIKE YOU CARE

Dry, dark, and safe. Not under your truck. Not on a bed of nails.
