

For your safety and to get the best out of your new safety glasses, please take a moment to read through these care and use instructions

1 Meet the EyeArmor+ In/Out

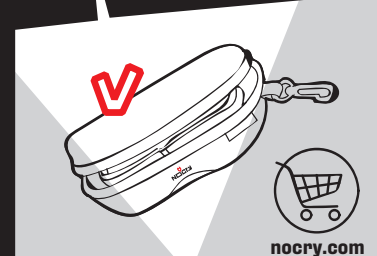

Supercharged with UltraShield Lens Tech, your safety glasses offer anti-glare, anti-fog, and scratch resistance, along with 100% UV protection.

2 Cleaning the Glasses

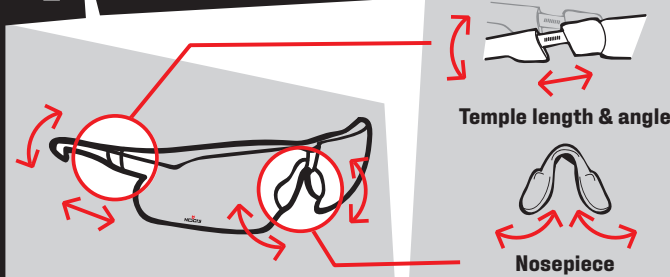

Clean the glasses only with a dry or water-moistened soft microfiber cloth. Do not use chemicals.

3 Storing the Glasses

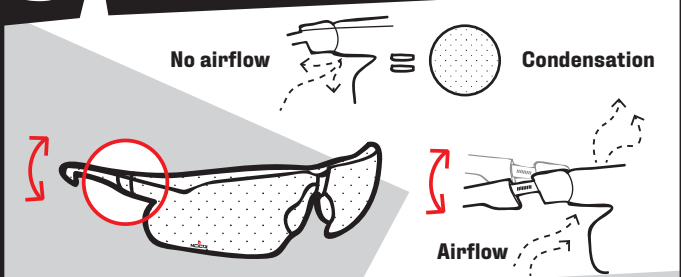

Always store the glasses in a protective case when not in use.

4 The Glasses Are Highly Adjustable

Before each use, adjust the glasses to ensure a secure and comfortable fit on your face.

5 Fit Glasses Correctly to Avoid Condensation

If condensation starts forming on the lenses, try adjusting the temple angle.

6 Carefully Assess Your Working Environment

Make sure the glasses are the best protective measure against potential threats in your work environment.
