GET THE BEST FROM YOUR GLASSES

CLEANING YOUR GLASSES

Clean using a soft microfiber cloth, dry or damp with cold water. Store in a cool, dry place away from sunlight.

CARING FOR YOUR GLASSES

The coating helps prevent fogging and scratches but isn't foolproof. Use anti-fog spray when needed and store in a protective case.

ASSESS YOUR ENVIRONMENT

Ensure that the glasses provide adequate protection from the potential hazards you're likely to be exposed to in your workplace.
