GET THE BEST FROM YOUR GOGGLES

PUTTING ON YOUR GOGGLES

Slip them on and adjust the headband until they feel snug and comfortable. They're designed to reduce fogging but aren't fog-proof - use anti-fog spray if needed.

CARING FOR YOUR GOGGLES

Clean using a soft microfiber cloth, dry or damp with cold water. Store in a cool, dry place away from sunlight. The coating helps minimize scratches, but it's not scratch-proof. Proper care is essential.

ASSESS YOUR ENVIRONMENT

Ensure that the goggles provide adequate protection from the potential threats you're likely to be exposed to in your workplace.

MADE A MISTAKE? WE'VE GOT YOU

These are not over-the-glasses goggles. If you meant to order goggles that fit over glasses, contact us at wecare@nocry.com.
