GET THE BEST FROM YOUR KNEE PADS

PUTTING ON THE KNEE PADS

Place the knee pads with the foam pad against your knees, and the straps oriented towards the inside of your legs.

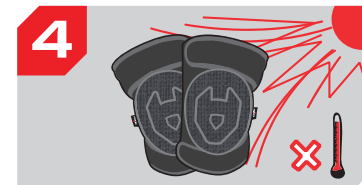

ENSURING A SECURE FIT

Wrap the strap behind your knee, attach the small hook-and-loop fastener on the outside, and secure the strap in the front.

CLEANING YOUR KNEE PADS

Hand wash with lukewarm water and mild detergent. Rinse thoroughly and hang to air dry. Do not machine wash or dry.

CARING FOR YOUR KNEE PADS

Store them in a cool, dry place away from direct sunlight. Replace them once the padding starts showing signs of fatigue.
