GET THE BEST FROM YOUR KNEE PADS

PUTTING ON THE KNEE PADS

For a secure fit, fasten the slip buckles on the outer side. Adjust so the pads sit just above your bent knee.

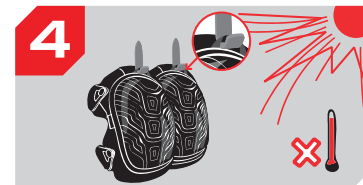

KNEE PADS SLIDING OFF?

Try crisscrossing the straps. If this doesn't help, contact wecare@nocry.com and we'll be happy to make it right.

CLEANING YOUR KNEE PADS

Clean only by using a brush or a soft washcloth with neutral detergent. Avoid machine washing to preserve quality.

STORING YOUR KNEE PADS

Hang the knee pads from the loops to a tool belt, box, car, etc. Avoid storing in direct sunlight or at high temperatures.
