GET THE BEST FROM YOUR WORK APRON

PUTTING ON YOUR APRON

Slip it over your head, with the straps forming an X on your back. Adjust the shoulder pads, and clip the buckle.

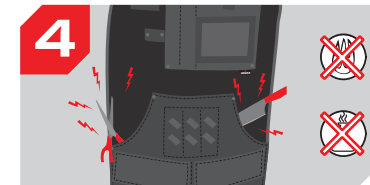

ADJUSTING YOUR APRON

Pull the excess fabric on both sides of the buckle to tighten the waist. Slide the triangle up to raise or down to lower the fit.

WASHING YOUR APRON

Wash at 30°C/86°F with mild detergent and hang to dry. Wash with dark colors to avoid color transfer. Avoid harsh chemicals.

USING YOUR APRON SAFELY

Do not place sharp objects in the apron's pockets, and never wear it when handling machinery or power tools to prevent injuries.
