

# NOCRY

**Because keeping you safe is our top priority... You must read through the following care and use instructions before using your new glasses.**

**TIP:** Find the model number of your glasses on the packaging.

**1 The NoCry glasses**

The lenses have anti-scratch and anti-fogging treatment.

**2 Cleaning your glasses**

Clean the glasses only using a dry or cold water-moistened soft micro-fiber cloth. Do not use chemicals.

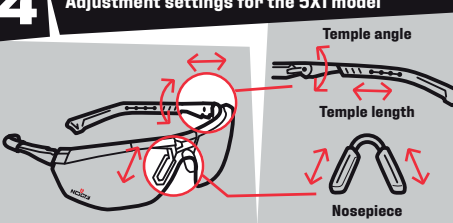

**3 Storing your glasses**

When not in use, store the glasses in a protective case.

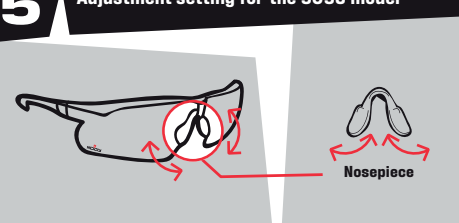

[nocry.com](http://nocry.com)

**4 Adjustment settings for the 5X1 model**

The multiple adjustment settings help the glasses fit your face securely and comfortably. Adjusting the temple angle can also control the airflow.

**5 Adjustment setting for the 505U model**

Adjust the nosepiece so that the glasses will give you a comfortable and secure fit.

**6 Carefully assess your working environment**

**IF IN DOUBT**

Occupational Safety Professional or Industrial Hygienist

Make sure that the glasses are the most suitable means of protection from potential threats you are likely to be exposed to in your working environment.
